## Marco's Redemption Read Online

Marco Donati is rich, ruthless--and more often than not--indiscriminate. Interested only in satisfying his sexual needs casually and frequently, he has no intention of changing a thing about his life. Natalie Lambert is alone, broke, and new to the city when a chance encounter leaves her under the power and control of Marco Donati. As the story unfolds, tensions mount and trust is tested between two people who can't manage to stay away from each other.

First off I want to say that it was refreshing to read a book that was not a trilogy. Not that I have anything against a story spanning 3 books before it reaches its conclusion/HEA. But it is the WAIT and the LACK of book release dates that bothers me. I understand an author writing a book and waiting to see how itâ€™s received. But it is the WAIT and the LACK of book release dates that bothers me. I understand an author writing a book and waiting to see how itâ€™s received. However in this â€™After Fifty Shades/Everything trilogy eraâ€™ , you may recall the Fifty Shades book 2 and 3 was released on the same day. I personally would happily pay \$40-50 to get to read a series in one sitting. So if the book is written I donâ€™t agree with Publishers holding off the release (thinking to milk more money out of us?!). Think about it, there might be an important event or remark in book 1 that is long forgotten months later when one gets to read book 3â€™!

Now back Marcoâ€™s Redemption: Marcoâ€™s Redemption - In my opinion a Must read for all you Gideon Cross, William Honor, Gabriel Emerson, Ethan Blackstone and Christian Grey lovers out there. Marco Donati (32 years/\$\$\$\$ /black-brown hair/dark brown eyes) is every bit the alpha male â€™ so very sexy, handsome, successful, rich, dominant, controlling and possessive. In addition, I found his need to be â€™fuzzed atâ€™ (while sick) adorable = )

I do NOT agree with some other readerâ€™s comments that heroine, Natalie was weak etc. I found Natalie Lambert (24 years/brown hair/blue eyes) to be both smart and strong. Her personality was that of a Submissive in that she wanted to be controlled by Marco and she was turned on by his dominance. But when she needed/wanted to she put her foot down and in the end I found her to be very much

a/the controlling force in their relationship. She was just more laid back and very importantly a more peaceful person. She brought Marco the peace he needed.

If you are still reading this! " just hurry up and get your copy of Marco's Redemption you won't regret it " promise! And I will be checking out other books by Lynda Chance.

Marco is the most alpha male possessive jerky super sexy insatiable guy i've ever had the privilege to read about. He is possessive to the extreme... and I love it. He is rich, sexy, goes after what he wants.. but --- Marco, deep deep down, does have a heart. Its just a very controlling heart.

Natalie.. she sweet, un-jaded and seriously short on money. She's petite and beautiful.. and when Marco first lays eyes on her he has the uncontrollable need to protect AND possess her.

They meet when Natalie accidently rear ends his very expensive car on the interstate.. she of course is driving a beat up un-insured hootie. She has no way to pay him for the damages.. so he convinces her to move in with him and be his housekeeper while she works off the cost of the repairs.. Its all blazing chemistry and combustion from there. Read my status updates and you can see the emotions I was going through while reading this book.

Marco is the perfect book man for me.. so sexy and jerky and possessive.. I loved every minute of it. Whats even BETTER.. is there was no angst at all in this book...the chemistry was there from the beginning, they did something about it, they kept at it, they fell for each other, they admitted it , and you get your HEA. All of that and plus you get the man that would do anything to possess you and keep you happy and satisfied.

I will be re-reading this one again very soon. I'm just now done and I miss Marco already... ...more

Things go smoothly for awhile but Marco is finding it harder and harder to stay away from this tiny woman.

"Promise you're mine, Natalie. Give me that promise....."

".....I'm asking you to stay. To stay for the sole reason of being with me. You and me. Nobody else. I'm promising fidelity to you. That's something I've never promised before in my life and I want the same promise from you." ...more

Great read. Marco is uber possessive, just the read I was looking for tonite. Nice tidy epilogue with Marco still trying to get his own way.

Poor Marco! Natalie's adorable cuteness and pot roast knock him on his billionaire hiney. He has to be on guard to protect her ALL THE TIME, cause he just knows every other sewer slurper is out lookin' to steal his woman.

Marco is OTT in his caveman possessiveness, yet so cute when he thinks he upset his adored Natalie. Absolutely adorable read and I could really get into the HPlandia Stalkery Stalkerificness of the whole thing.
