The Redemption of Callie & Kayden

# The Redemption of Callie & Kayden

By Jessica Sorensen

## The Redemption Of Time

From the New York Times bestselling author of *The Coincidence of Callie & Kayden* comes an emotional new story about two troubled souls sharing one all-encompassing love . . .

## The Redemption Of Cain

The dark secret Kayden has kept hidden for years is finally out. Worse, he's facing charges for battery. The only way to clear his name is for Callie to speak up-something he'll never ask her to do. Instead, he'll do whatever he must to protect her . . . even if it means letting go of the only girl he's ever loved.

## The Redemption Of Henry Myers

Callie knows Kayden is going back to his dark place and desperately wants to save him. But that means facing her greatest fear and admitting her own painful secrets aloud. The thought of breaking her silence terrifies her-but not as much as the thought of losing Kayden forever.

The Redemption of Callie & Kayden

## The Redemption Of Althaus

Deep in her heart, Callie knows the time has come for her and Kayden to forget the pain of the past. With the help of her friends Seth and Luke she makes a plan to show Kayden the life they could have. But can she convince him they can make a fresh start together-or is she already too late?

Ebook will be released tomorrow, July 30th :)

So, I'm not gonna do a big review yet, but I will say it's worth the wait. I loved this book! I loved Kayden Owens and his amazing heart! I loved Callie and her will not to give up where Kayden's concerned. They're truly a beautiful couple together. They're strong and flawed but their imperfections make them real and I loved it. I lalalalala-LOVE Luke. He's such a badass and just awesome! Seth is also an incredible character and friend. I really loved this continuation of Callie and Kayden.

Kayden Owens and his amazing heart! I loved Callie and her will not to give up where Kayden's concerned. They're truly a beautiful couple together. They're strong and flawed but their imperfections make them real and I loved it. I lalalala-LOVE Luke. He's such a badass and just awesome! Seth is also an incredible character and friend. I really loved this continuation of Callie and Kayden.

But...there was a couple things I'm not happy about that happened...or weren't resolved I should say. Though it makes me more anxious to read Luke's book next!! Maybe we'll get answers there! YAY for Luke's book, I love him! Oh and I love Kayden, really. He's just....\*sigh\*

IT HAS A COVER.....LOOK AT THAT COVER. LOOK AT THAT COVER. I JUST HAD MAD COVERGASM. AHHHHHHHHHHH CAN'T WAIT!!!!!!!!!!!!!! LOVE THE COVER. LOVE IT!!!!!!!!!!!!!! CAN'T WAIT FOR MORE KAYDEN KAYDEN KAYDEN!!!!!!!!!!!!!!!!!!!!!!

OMG guys....it's out in August....of THIS year!!!! Omg I was stressing about having to wait for a year, but it's not true. So sorry i mislead you all...but it said it on GR so i thought it was true. I guess that makes GR a liar, eh? This made my mother 'effing day!!!! YAY!!!!!!!!!!!!!!!!!!!!!! Kayden. Kayden. Kayden!!!!!! Can't wait to spend more time with him!!!! ...more

5 Beautiful and Healing Stars!!!

In *~The Coincidence of Callie and Kayden~*, Callie Lawrence was saved by Kayden Owens. Now Kayden may be the one who needs saving...

It's been 7 months and 14 days since I've read *~The Coincidence of Callie and Kayden~*. It was easily one of my favorite books of 2012. And we all know it had one helluva cliffhanger! Well, it was worth the wait! I thought the sequel was fantastic. And it picked up right where the first book left off...

Callie is worried about Kayden. 5 Beautiful and Healing Stars!!!

It's been 7 months and 14 days since I've read *~The Coincidence of Callie and Kayden~*. It was easily one of my favorite books of 2012. And we all know it had one helluva cliffhanger! Well, it was worth the wait! I thought the sequel was fantastic. And it picked up right where the first book left off...

Callie is worried about Kayden. After finding him the way she did, she needs to see him. Make sure he's okay. His mother (evil) is making it very difficult.

My poor, damaged Kayden. Kayden is one of my favorite book boyfriends. Something about this guy just tugs on my heart. Kayden is stuck. He can't tell the truth about what happens, so he lets people assume what they will. By doing that, he pushes away the people that matter most to him. He doesn't want to burden them.

•You deserve better than this.~

It is a struggle for these two at the beginning of the book. Once they can get to the point where Kayden can trust Callie and open up to her, things were much better.

•I trust you, Kayden. Even if you don't want me to.~

The Redemption of Callie & Kayden

I want him to me like I trust him. I owe him that much.

I owe him a lot

I owe him everything.

There is something about someone trusting you enough with their secrets that it makes it easier to trust them. It's like they're opening their heart and in return yours should open up to them, too.

The thing about Callie and Kayden that I love so much is that they both are broken. They both are tortured souls with traumatic pasts. They both have a ton of issues. Separate, they are kind of a mess. But together... together they are better. Whole. Perfect for one another.

I realize how perfect we are for each other and also how disastrous we could end up being. Because even though we can help each other pick up the pieces of our lives, we could also break at the same time and then nothing would be left to catch us as we crumble.

The turning point is when Kayden realizes he doesn't have to do this alone. He has people he can trust. That love him. That want to be there for him. That understand him.

All he wants is for Callie to be happy. He's the only thing that makes her happy.

“Just tell me what you need to make you happy.” She looks me in the eye with tears streaming down her cheeks.

“You.”

Callie and Kayden have a special bond, a connection. It's like they were made for one another.

Whenever she looks at me, I swear she steals another piece of my soul. Unlike most people, she doesn't care if it's damaged. And once we kiss, I'm gone. The broken, soulless, empty Kayden who's existed since the first time his father beat him no longer lives. She owns me and I want nothing more than to be with her.

But to truly be able to move on and get over their past, they have to confront it. It's a very scary thing to do. It's one thing to confide in each other, but to get it out in the open to someone else. It's not easy. But necessary.

“You don't forget. You just move past it. Let go. Be who you are supposed to be instead of who they make you feel like you should be.”

They can do this. As long as they are in it together, they can do it. Move on. Confront their demons.

Okay. We can do this. Because I think we're stronger together.”

They are there for one another, but this may be something they need to do alone.

The Redemption of Callie & Kayden

• Thank you for saving me.  
 • Thank you for saving me too.

The best things about this book:

- ~The BFFs. Not only do I love both Callie and Kayden, but Seth and Luke are two of the best friends/supporting characters. I know we are getting a Luke book (which I am stoked about) but I'm really hoping for a Seth book as well.
- ~I love the #s (example) #10 Face the truth and let it go.
- ~Callie is the perfect heroine. She isn't annoying at all. She is always there for the ones she loves, and her strength. She is so strong in this book. Not only is she facing her own demons, but Kayden's as well. She is there for him. Gets him to open up and move on.
- ~Kayden. My beautifully broken boy.

A beautiful and emotional story of love, hope, healing, freedom, moving on and learning to give and accept love. If you haven't read this series, I highly recommend it. A solid 5 star read for me.

- Callie, THE REDEMPTION OF CALLIE AND KAYDEN

If I were good in finding romantic images that resembled Callie and Kayden, I would have pasted my review full with it. But unfortunately, I am not good in finding those images. Le sigh

First things first, what I really liked about the COINCIDENCE SERIES is the fact that the characters seems

so alive. This is a well-written story. Love it.

After reading the first book in the series THE COINCIDENCE OF CALLIE AND KAYDEN in December 2012 and realizing that the second book was due to release in February 2013, I can say that I was friggin happy because that cliffhanger was unacceptable. I repeat, unacceptable. But then we all realized that the release date had been pushed back - several times. From February 2013 to February 2014 and from February 2014 to July 30th.

Dear fellow Callie and Kayden obsessed readers, we have been waiting for a very, very, very long time for the release of the second book in the Coincidence series. Let's say that I was depressed and frustrated that the release date of the book got pushed back many times and that I was surprised that it finally was available after coming back from a three weeks vacation. I totally forgot about THE REDEMPTION. Ok, not really "forgot" the thought of it was still somewhere in my mind but it has gone to the background.

THE REDEMPTION -for short- was one hell of a roller coaster... Well maybe I am over exaggerating but "whatever". To be honest, I don't remember everything from THE COINCIDENCE except for the most important parts and the fact that I fell in love with both Callie and Kayden as main characters. But there is a clear difference between THE COINCIDENCE and THE REDEMPTION. While the first book of the series was the lighter part of the story, the second books dealt with the heavier part: saving each other or rather finding their redemption. And I preferred the first book to the second book just because of that. Though I wanted them to find their "freedom", I liked reading about them together but because of the problems they had to deal with first, the time of them being together being sweet and all was pretty short and practically not enough.

My mind was pretty blank while reading THE REDEMPTION. What will happen? Where will it take place? How will the story develop or how will they find their redemption? We didn't know. I didn't know. I didn't know that Kayden had it that bad. Nor did I know that Luke's life wasn't that easy too. And the blurb wasn't helping at all.

But here we are and I am glad that we finally got some closure. Please note and pay attention to my emphasis on the word "some", because you've to realize that this is not the end; YET!

The Redemption of Callie & Kayden

28th February. We can do it, now the world did not end!

Update &#insert date-blegh&gt;:

You must be kidding me.

Yes you are.

I feel cheated.

How come that the publication date changed at the very last minute.

This must be a dream - wake up -!

You know what forget it. There is not even a date yet :) Hurray.. \*sarcasm dripping from every word

Ebook might be released earlier, though!

Reality sucks.

I love the teasers. I am glad we have them..but it is not helping me at all. We have got a long way to go.

If you haven't read The Coincidence of Callie and Kayden - then please read no further.

We begin book two with Kayden in the hospital and Callie is not allowed to visit him. Unable to tell the truth about what really happened, he's resigned himself to going back home to his parents house and keeping his pain and the truth buried. He is such a broken man that he doesn't feel worthy of Callie and her love. While trying to figure out how to deal with his demons, he pushes her away.

Callie is also carrying around a heavy secret that has traumatized her for the past 6 years. She will have to decide if it's worth confronting her past in order to heal and have a future with Kayden.

I just LOVE these two! I felt the horror and pain they went through and it broke my heart. They understood each other having both suffered such traumatic experiences in their lives. I wanted desperately for them to find happiness and make peace with their pasts. Their story is completely addicting. Through all of their pain and suffering, they found comfort and healing with each other and it was so beautiful. There is no major cliffhanger (THANK GOD), although the ending does leave it open for the story to continue. I saw that the author has put on Goodreads that there will be another book for Callie and Kayden and I can't wait!

I can't express how much I love these books. They are must reads! ...more

I NEED THIS BOOK ASAP!!!

HURRY UP!!!

5 stars !!! I loved this book HARD !!!

Kayden

"I can't really do anything with you right now." ~ its the stupidest thing that's ever left my lips, but it needs to be said. She deserves better than the broken piece of shit that I am.

You need to walk away from me. PLEASE, walk away.

Kayden ! What a beautiful soul ! There was something about Kayden's story that took hold of my heart from page one of and never let go ! I was seeking personal redemption for him.....

I'm looking into his eyes and he

## The Redemption of Callie &amp; Kayden

1. The act of redeeming or the condition of having been redeemed.
2. Recovery of something pawned or mortgaged or stolen
3. The payment of an obligation
4. Deliverance upon payment of ransom; rescue.

I really, really, really needed this redemption to be happening for these two broken characters. I wanted to take back the precious moments in LIFE that were stolen from them.

Callie

Skittish cat turned sex-kitten.....I loved how Callie evolved ! She was this mouse of a girl and then....self-discovery and healing lead to a really amazing character. I found no fault with her. i repeat.....she did not even give my Kiera nerve the tingles. Her attitude was kick-ass and although she definitely had reasons to be weak.....she was strong as all hell. Girl power. The love she had for Kayden is what helped him to heal. Callie's love definitely healed all Kayden's wounds.

I don't know what I'm doing and all I can hope for is the best. It's the worst feeling in the world because hope has never been that kind to me.~ Callie

I.CAN'T.DO.THIS.WITHOUT.YOU.I.CAN'T.LIVE.WITHOUT.YOU.

#16 Make someone understand that you understand them no matter what it takes

There's this mind-blowing moment when I realize something. Someone understands me. Callie understands me. She gets it and she's not afraid of me or what's inside of me. And while I don't understand it, I want it-I want her.

Maybe if I try hard enough, we'll fall into each other and become one single person and we can share our pain instead of carrying it by ourselves.

You are the only person who I can ever feel whole with.

#10 FACE THE TRUTH AND LET IT GO

Here is about the time in the book when I lost my shit. FREEDOM. Beautiful moments of when they decided to let the truth set them free. I was having those type of random bursting into tears

moments....the ones where it wakes my hubby up from a deep sleep and he thinks I'm having a seizure.....I was crying !!!! GOD sooooo beautiful. I love how they let it all go.....overcoming their fears and just let it all go.....

You gave me good. I never had good before.

Something Like Me by Staind

But every time you say you love me  
I just have to stop and catch my breath  
How can somebody love something like me ?  
And every time I feel I'm falling  
You'll be there to save me from myself

I loved where this sequel took us. My heart broke for Callie and Kayden. Callie is so selfless in her love for Kayden, and Kayden may not understand his feelings, but he knows she deserves the best.

This series continues to blow me away, if you haven't had a chance to fall in love with Callie and Kayden I suggest you start now!

Callie and Kayden both have issues. Deep traumatic issues.

Kayden is alive! Thank god!!

what good is being alive when he feels empty inside?

Dealing with what happened to him, Kayden is in a dark place.
