

The background features a complex network of white nodes connected by thin purple lines, set against a gradient background that transitions from dark purple at the top to a bright pink at the bottom. The nodes are scattered across the frame, with some forming larger, more interconnected clusters than others.

Nothing But Trouble

By Allegra Gray

Nothing But Trouble Movie

Charity Medford is a diamond of the first water, sought after by every gentleman in London—though her increasingly wild behavior has put her reputation in jeopardy. What London's gentlemen don't know is that Charity's frenetic social pace is not designed to win her a husband, but to keep her too busy to dwell on her haunting past. But when one reckless evening lands her in a compromising position with a marriage-minded Scottish earl, Charity is really in trouble...

Nothing But Trouble Twins

Graeme Ramsey Maxwell, Earl of Leventhal, senses what few others do: Charityâ€™s need for something solid to hold on to. Graeme decides heâ€™s just the man to offer what this tempestuous English beauty needsâ€”but he has no idea that by hauling her off to his highlands home, heâ€™s inviting a legion of trouble to follow them.

I enjoyed the story, but too much detailed sex for my liking.

Nothing But Trouble Cast

The *Daring Damsels* series, of which *Nothing But Trouble* is Book 3, is a somewhat underrated gem, in this reader's opinion. Allegra Gray's heroines are strong but vulnerable and very real; the characters and storyline continue in successive books; and the plots involve intrigue, danger, and steamy romance.

The books can stand alone but are best read in order, and I recommend all three to those who enjoy historic romance:

1. *Nothing But Scandal*
2. *Nothing But Deception*
3. *Nothing But Trouble*

Historical English romance with a young lady dealing with PTSD at a time where she would just be considered a madwoman instead of actually getting some understanding and patience which would heal her. Lady Charity Medford had an amazing come out last year, she was considered the most wanted by the marriage minded titled bachelors, but Charity had an awful kidnapping and attack while being left for dead for two days in a dark isolated cellar. So sure, Charity has some nightmares and stress because Historical English romance with a young lady dealing with PTSD at a time where she would just be considered a madwoman instead of actually getting some understanding and patience which would heal her. Lady Charity Medford had an amazing come out last year, she was considered the most wanted by the marriage minded titled bachelors, but Charity had an awful kidnapping and attack while being left for dead for two days in a dark isolated cellar. So sure, Charity has some nightmares and stress because two of the attacker are still at large. So perhaps she takes it slow when she meets the handsome Scottish Lord Graeme Ramsey Maxwell, Earl of Leventhal although she is interested in marriage for the first time since her kidnapping.

So Graeme is a sneaky devil and convinces Charity to not wait around a year to marry but immediately off to Gretna Green without getting to know each other so it is more than his fault when he finds out about Charity's nightmare problems. So after some well intentioned folks meddle into Graeme and Charity's business, we get a cute HEA.

I liked how historically accurate the mental illnesses were treated in this story which is so disturbing but we had to make lots of mistakes to get where we are now, if you're into that story of medical history you should listen to 'Sawbones' podcast it is hilarious and informative.

Nothing But Trouble Lyrics

4.5 stars, I loved this book and I can't wait to read more by Allegra Gray! Charity suffers from terrible nightmares because of an incident in her past. Her mother wants her to marry, but she is worried about having a husband discover her nightmares. She falls in love with Graeme and tries to does herself to sleep so he doesn't discover her nightmares.

Loved the book, this is the third in a series, I want to go back and read the others. I found a great new author to read!

I loved this book. First let me say that yes there's sex, sometimes the sexual tension takes a front seat to the story, still it's well written. Love the way the couple conflict near the end is written great way to bring out the story and create conflict. I enjoyed and will be reading the previous 2 books to the series

Nothing But Trouble Tupac

Very suspenseful and fantastic book! I really enjoyed the twists and turns the story brought. The relationship of Charity and Graeme was very well written. The sexual tension was easily felt and when things went spiraling down I felt my heart drop. Allegra Gray has a very captivating writing style. I had a hard time putting this third book in this series down!!

I've never read Allegra Gray before, but, at the recommendation of a friend on Facebook, I picked this up as a free read on Amazon. And boy am I glad I did! I absolutely loved it from beginning to end! If you like historical romance with a HOT highlander hero, I highly recommend this book.
