

The background features a complex network of white nodes connected by thin white lines, set against a gradient background that transitions from dark purple at the top to a bright pink at the bottom. The nodes are scattered across the frame, with some forming larger, more prominent clusters.

Slave Boy Names

Male slave dominated and trained by his loving wife...More pleasure and humiliation for her husband...

Slave Boy Analogy

Excerpt:

Jo then walked around the bed admiring her prisoner. She showed me her lovely sexy outfit - just what I would have got her if I thought she would wear it. She climbed up beside me and looked straight into my eyes as she seductively licked her luscious shiny lips. Her hands then slowly caressed me, wandered down to my groin and touched my erect cock. With a twitch I suddenly felt harder. "Well is this what you wanted then?" she said "you do realize I have hardly begun" With that Jo rose, slipped off her G-string, and straddled my legs just below my cock. "Would you like to see your cock disappear into my hairless and very wet cunt, my little slave boy?" All I could do was gulp and nod, my eyes not leaving hers.

She lifted herself up to give me a better view and then gently fingered herself, before very slowly lowering herself onto my hard cock. Jo moaned gently as I filled her. Once she was fully on she started to slowly rise up and down on me. Jo then went on to describe her plans. I later found out this was a smokescreen for her real plans, all the same it sounded too good to be true to me. The first step was to get me tied up (done) arouse me (well done!) and then 'deflate' my cock! Jo explained this could either be done with ice or me cumming. There was only one catch she said, if you want to cum in me I will expect you to clean it all up! I was told this was a test (she had been researching on the internet!) used to see how keen slaves were to please, and to cum in their Mistress's cunts! Now I should say this had not been on my 'wish-list' but with her riding my cock it did sound intriguing.

Slave Boy Ao3

"Yes Mistress, I would be pleased for you to pleasure yourself on my cock, and to be allowed to clean you after" With that she speeded up, caressing my chest and looking into my eyes whilst smiling in a devilish manner. Jo never spoke much in sex - and never in a sexual way. Suddenly she started coming out with how she was going to ride me, milk â€˜her' cock, to pleasure herself and then when she let me cum how she was going to move up to my mouth, and then lower her wet cunt over my mouth. How she would then rock and grind her cunt over my mouth as my tongue ...
