

The background features a complex network of white nodes connected by thin white lines, set against a gradient background that transitions from dark purple at the top to a bright pink at the bottom. The nodes are scattered across the frame, with some forming distinct geometric shapes like triangles and polygons. The overall aesthetic is modern and digital.

Slave Boy Names

GAY BDSM EROTICA. 25-year-old alpha hottie Lucas Devero had everything going for him—killer body, great tech job, sick wheels, and all the college boys he wanted. Then Lucas wanted to learn what submitting to another man felt like. But young Lucas did not realize he was submitting to a man who shows no mercy. Leatherman Jake Heller quickly forces Lucas to choose between returning to his old life on the top or accepting his new place as Jake's no-limits slave boy. WARNING: HARDCORE ACTION

This was hardcore dirty. Like absolutely filthy, rode hard and put away wet, dirty. With a tiny bit of (view spoiler)[romance (potentially) thrown in right at the end when the Master finally kisses his slave. (hide spoiler)] But without reading the series I don't really understand how monumental this is, which is why I'm not rating.

This was free. But coming into a series reading book 6 is probably not the best idea. Especially when you read about all the sordid ways this 'slave' is, and has been. This was hardcore dirty. *on a side note I did read the sample of the first book and it appeared the SSC rules are more like guidelines—at least at first—considering (view spoiler)[Lucas is hooded and cuffed within 15mins of meeting Jake and when they met online he told Jake he was a “Young guy curious about BDSM.” (hide spoiler)]
