

The background features a complex network of white circular nodes connected by thin purple lines. The nodes are scattered across the frame, with some forming distinct clusters or shapes, such as triangles and larger polygons. The overall aesthetic is modern and digital, set against a gradient background that transitions from a deep purple at the top to a bright pink at the bottom.

When I was reading this book some names seemed familiar and then I figured out why, I have read the stories of the heroine's three brothers, which come after this book. The hero comes from a wealthy family and has political aspirations, he has had the hots for the heroine for years but she doesn't suit his life and ambitions and he promised her brothers to take care of her. The heroine is impulsive and caring and has loved the hero for years but never done anything about it because well she know

The heroine is impulsive and caring and has loved the hero for years but never done anything about it because well she knows they are too different. I enjoyed the book, the hero was kind of uptight so it took him a while to realize that out of his life didn't mean out of his mind when it came to the heroine. I did feel the heroine loved him a bit more but overall a nice book. ...more

He descubierto que adoro el nombre de Tallulah. O sea de verdad me parece un nombre maravilloso.

La pareja de Tallie y Peyton me gustÃ³, ambos fueron muy lindos. Me encantÃ³ el como Tallie sabÃ­a desde un principio que su amor por Peyton era incondicional y me encantÃ³ que Peyton le demostrara a su manera lo mismo.

Tallie y Peyton tenÃ­an problemas para formar una relaciÃ³n ya que ambos tenÃ­an diferentes ambiciones, asÃ­ como tambiÃ©n, pertenecÃ­an a diferentes clases sociales. Tallie era una niÃ±a de campo y Peyton uno de ciudad, ambos se conocÃ­an desde pequeÃ±os pero a pesar de ello, eran demasiado opuestos; Tallie trabajaba como conductora de grÃ³a y Peyton era un reconocido abogado con candidatura a la presidencia. Gracias a todo esto, a pesar de que Tallie estÃ© enamorada de Peyton desde los 16, se rinde, pero por un cambio de circunstancias 10 aÃ±os despuÃ©s Peyton de darÃ© cuenta de que ama a Tallie y que darÃ­a su vida por protegerla.

Me agrada mucho que la autora haga PrÃ³logo y EpÃ­logo, eso me pone muy contenta y me encanta.

â€œEl hecho de que Peyton Rand y tÃ© sean totalmente opuestos no significa que no estÃ©n hechos el uno para el otro.â€

â€œEres Ãºnico entre un millÃ³n. Lo sabes, Â¿no?â€

â€œNo voy a romper tu corazÃ³n, Tallie. Voy a salir de tu vida antes de hacerte mÃ¡s daÃ±o. PromÃ©teme que te cuidarÃ©s.

â€Â¿Peyt?

â€AdiÃ³s, Tallulah Bishop. Voy a echarte de menos.â€

A nice and quick read, with a main character who's not the usual femme fatale, nor a porcelain doll, but

Peyton is on the fast track to becoming the governor of Tennessee and while he promise Tallie's brother that he would always look out for her, her escapades are becoming headline news and that's not good for his political career or his relationship with a woman he's courting that could lead to matrimony. Tallie has loved Petyon for years and she knows he can't keep bailing her out of trouble. Once he stops, the relationship will be over and she'll be out of his life. She also knows that she's not the right type for his lifestyle. Peyton knows it as well but that's never stopped romance before has it? The current direction of the relationship may not be good for either of them.

This is a fast-paced book that has few surprises and no real indepth storyline. It's a good romance with a minimal amount of suspense. The outcome is inevitable but still a worth while story. . . .more

Loved this prequel to Barton's 3 Babies for 3 Brothers series about four siblings from a tiny town in Tennessee. Tallie's three older brothers left the town for greener pastures while Tallie the tomboy stayed home to run a tow truck company and fight battles on behalf of abused woman, children and animals, for which she's always putting herself in danger. Since she was 16, Tallie's been in love with Peyton Rand, who answered Tallie's brothers' request to look after her and then some. She's 26 and . . . Since she was 16, Tallie's been in love with Peyton Rand, who answered Tallie's brothers' request to look after her and then some. She's 26 and he's a 36-year-old hot shot lawyer on his way to becoming governor when some intense events make it so they can no longer ignore their feelings for each other.

The next three book's are about each of Tallie's brothers coming back to their hometown to roost and finding love with friends of Tallie's that we meet in Nothing But Trouble. Order: His Secret Child (about Caleb the ex pro baseball star), His Woman, His Child (about Hank the FBI agent), and Having his Baby (about Jake the cowboy and reformed womanizer).
