

The background of the entire page is a gradient from dark purple at the top to a bright pink at the bottom. Overlaid on this is a complex network of white circular nodes connected by thin, light purple lines. Some nodes are larger than others, and the connections form a web-like structure that fills the page. There are also some faint, larger geometric shapes like triangles and polygons scattered throughout.

We are a congregation informed and guided by the study of Torah, Jewish values and culture, a commitment to the State of Israel and our love for God. Jewish Holidays [»](#) Jews for Jesus There's an old joke that the theme of most Jewish holidays is: "They tried to kill us, we won, let's eat!" There's a measure of truth to that, although there are plenty of holidays on the Jewish calendar that don't have to do with Jewish survival (though food does feature prominently in many of them). It would be closer to the mark to say that the Jewish holidays are about God's. The Rohr Jewish Learning Institute :: Real Learning for ...
