

The background features a complex network of white dots of varying sizes, interconnected by thin white lines. The dots are scattered across the frame, with some forming larger, more prominent clusters. The overall aesthetic is that of a digital or social network. The background color transitions from a deep purple at the top to a bright pink at the bottom.

A Knight Sword

White Knight | Definition of White Knight by Merriam-Webster White knight definition is - one that comes to the rescue of another; especially : a corporation invited to buy out a second corporation in order to prevent an undesired takeover by a third. How to use white knight in a sentence. Knight Medieval.com - Everything about knights What was a Medieval knight? Many things come to mind when we think of a knight and the role of the knight has changed over the centuries. But the typical Knight we think of was a man that lived between the 12th and 17th centuries who was pledged to serve his liege or king in military service. Generally this pledge was termed that the knight would serve 40 days of each year in military combat. Sarah Knight Books Sarah Knight is a brilliant editor. She is wildly intelligent, analytic, a fantastic reader and excellent communicator. Not only did she greatly improve my debut novel, she improved it in the best way possible, by connecting to my characters's psyches, understanding my subconscious intentions for my book when I could not, and by making it the book it was meant to be.

Knight | Definition of Knight by Merriam-Webster Knight definition is - a mounted man-at-arms serving a feudal superior; especially : a man ceremonially inducted into special military rank usually after completing service as page and squire.
