A Life In Waves

Christian Reincarnation and The Way of the Nazirine Disciple It is virtually impossible for man in what the Apostle Paul portrayed as his organic "natural" condition of mind (see What Difference Does It Make), to comprehend the enigma of a paradoxical reality. Yet, he finds himself immersed in a paradoxical world -- often eating the forbidden fruit of the Tree of Duality by embracing one paradoxical truth, while rejecting its opposite that is equally true. Blue Whale Challenge day five. give or receive touch -- Too often we underestimate the power of a touch, a smile, a kind word, a listening ear, an honest compliment, or the smallest act of caring, all of which have the potential to turn a life around. • . What do endorphins do? | Functions of the Nervous System ... The human body produces at least 20 different endorphins. Endorphins are produced by the body and can create a natural high. Endorphins affect the body and the mind in several ways: they relieve pain, they reduce stress, they enhance the immune system, they activate natural killer cells that boost the immune system against cancer cells and other diseases, and they delay the aging process.
