Havana Brown - Wikipedia The Havana Brown was the result of a planned breeding between Siamese and domestic black cats, by a group of cat fanciers in England, in the 1950s. Early breeders introduced a Siamese type Russian Blue into their breeding. However, using current genetic testing, it is believed that almost none remain in the gene pool.. It has been documented that self-brown cats were shown in Europe in the. Havana Social Bangkok - Bangkok.com Magazine Havana Social Bangkok is a cool new bar on Sukhumvit Soi 11, which takes a prohibition theme to new heights of authenticity. Think dim lights, classic rum cocktails, exposed beams and crumbling plaster " the 1940s pre-revolution Cuba theme is painstakingly well executed. Bar staff are smartly dressed and coiffured, as are the socialite crowd who were cool enough to find their way to this.
