Long-Acting Reversible Contraception: Implants and ... Committee on Practice Bulletinsâ€”Gynecology. This Practice Bulletin was developed by the Committee on Practice Bulletinsâ€”Gynecology and the Long-Acting Reversible Contraception Work Group in collaboration with Eve Espey, MD, MPH; and Lisa Hofler, MD, MPH, MBA. This information is designed as an. UpToDate INTRODUCTION â€” The endometrium (lining of the uterus) may develop endometrial hyperplasia (EH), which includes non-neoplastic entities (disordered proliferative endometrium, benign hyperplasia, simple and complex hyperplasias without atypia) characterized by a proliferation of endometrial glands of irregular size and shape, and precancerous neoplasms (endometrial intraepithelial neoplasms).

Magnesium for Depression: A Cure for Depression using ... Forward: Although this depression treatment by magnesium essay was written originally to address the role of magnesium as a depression treatment, the role of magnesium deficiency as cause of vast other morbidity and mortality is also addressed. Ipilimumab or High-Dose Interferon Alfa-2b in Treating ... This randomized phase III trial studies ipilimumab to see how well it works compared to high-dose interferon alfa-2b in treating patients with high-risk stage III-IV melanoma that has been removed by surgery. Abortion Worldwide 2017: Uneven Progress and Unequal ... Published in 2018, Abortion Worldwide: Uneven Progress and Unequal Access provides the most current information on the incidence of abortion and unintended pregnancy worldwide, as well as trends since 1990, as women and couples increasingly want smaller families. It examines laws that regulate abortion and how they have evolved, and the current safety of abortion provision.
