Love Letter America Love Letter America was started to remind our representatives (in the House and Senate) the reasons we love America and the values we expect them to uphold. Artists are lending us their creativity so we can download a postcard that represents what we want our Senators and House members to see. These are tumultuous times, and our voices must be heard. Love Letter to America by Tomas Schuman - Goodreads Love Letter to America is an underrated book in contemporary history. The most astonishing aspect of this book is the fact that it indirectly predicted Brazil's future - from the lack of temperance to the domination of academic circles by the far left.
