

The background features a complex network of white nodes connected by thin purple lines, set against a gradient background that transitions from dark purple at the top to a bright pink at the bottom. The nodes are scattered across the frame, with some forming distinct geometric shapes like triangles and polygons. The overall aesthetic is modern and digital.

A Mad Look Inside

Sonnet CXXIX - Shakespeare's Sonnets This, one of the most famous sonnets, explores the reaction of the human psyche to the promptings of sexual urges. The folk wisdom of *omne animal post coitum triste est*, which is often quoted in connection with this sonnet, is banal in comparison to the ideas developed here. One has to look back to the ancient Greek world, and to the plays of Euripides, especially *The Bacchae* and *Hippolytus*, to. The Single Chair Weather Blog Following several years of mixed to flat-out bad snow seasons, Mad River Glen finally procured a truly great one. Yes, we did a few crusty interludes but even the best ski seasons in New England feature a bit of that. Reeko's Mad Scientist Lab For the first time, scientists have captured a picture of a black hole in space and it's amazing! Astronomers have done what was thought to be impossible – they captured the unseeable, a picture of a black hole, an object so dense, nothing, not even light, can escape it.

Let's Not Go Overboard About ECT - Mad In America In an internet email discussion among a large group of supposedly enlightened mental health professionals, few came forward to outright condemn or ban ECT. One participant responded to my comments with, "It worries me how this debate gets so polarized. I appreciate Peter's opposition to ECT. But. MAD-RAMPS – Mad-Ramps Description.
